PRESS RELEASE

GHANA STOCK EXCHANGE APPOINTS KOJO DARPAAH, CFA, AS HEAD OF GHANA FIXED INCOME MARKET

Accra, November 24, 2026 – The Ghana Stock Exchange (GSE) is pleased to announce the appointment of Kojo Darpaah, CFA, as Head of the Ghana Fixed Income Market (GFIM), effective November 30, 2026.

Kojo joins the GSE from Fidelity Bank Ghana, where he served as Director, Financial and Capital Markets with responsibility for the bank's foreign exchange, fixed income, and capital markets businesses. He brings over 15 years of experience spanning treasury and financial markets, investment banking, and corporate governance. He began his career at CalBank and has since held progressively senior leadership positions across Ghana's banking sector, including roles at Barclays Bank Ghana, First National Bank Ghana, UMB, and Fidelity Bank Ghana. His career has encompassed trading, treasury management and strategic leadership, positioning him as a financial market professional with deep expertise in market development and institutional growth.

He has worked extensively with regulators, local and offshore institutional investors, and development finance institutions, and was an inaugural member of the National Technical Committee that developed the operational framework for the GFIM.

He holds an MSc in Financial Engineering from Claremont Graduate University, USA, and is a CFA Charterholder. He serves as an Independent Non-Executive Board Member and Board Treasurer of Fairtrade Africa and as Chair of the Advocacy, Research and Standards Committee of CFA Society Ghana.

In his new role, Mr. Darpaah will oversee and manage all activities of the GFIM and lead the development and implementation of strategic initiatives to enhance the growth, efficiency, and competitiveness of the fixed income market, including its expansion to corporate issuers.

His appointment further strengthens the GSE's commitment to advancing the Ghana Fixed Income Market and supporting the growth, depth, and efficiency of Ghana's capital market.

We welcome Kojo to the GSE team and wish him success in his new role.

-ENDS-

About Ghana Stock Exchange

The Ghana Stock Exchange (GSE) was established in November 1990 to provide an efficient securities market for national economic development through access to capital and investment. Since then, the GSE has facilitated the mobilisation of capital by corporate bodies, businesses, and the government and provided a reliable platform for the trading of issued securities.

The GSE’s offerings include various markets tailored to meet the diverse needs of investors and issuers. The GSE markets comprise the Main Market for large corporates; Ghana Alternative Market (GAX) for SMEs; Ghana Fixed Income Market (GFIM) for the trading of treasury bills, government bonds and corporate bonds; Commercial Paper Market to facilitate the raising of short-term corporate debt; Green and Sustainable Bond Market for the trading of Sustainable Bonds; and Over-the-Counter Market (OTC) for the

trading of public non-listed securities. For more information, visit www.gse.com.gh and www.gfim.com.gh
